CORONA VIRUS (COVID-19) UPDATES FROM GARLING & CO LAWYERS

As the Covid-19 pandemic evolves, it is largely business as usual at Garling & Co Lawyers, although most of our team are now working remotely!

Future-proofing our technology platform has been a long-term focus of Garling & Co. In doing this, we set up the capability for our team to work from anywhere there is Wi-Fi. We are here to support your claims and advocate on your behalf!

We have put in place measures to protect the health and wellbeing of our team and our clients and, at the same time ensuring that our client's claims can continue to progress.

Our support should be seamless, and although you will not visit our office in the immediate future, we continue to be available to you by telephone, email, or video conference!

A video conference can be held on a computer with a camera or via your smartphone.

If you are a current client, your legal team will be in touch with you and will advise you of any changes to scheduled appointments, conferences, or hearings.

We welcome any new enquiries during this time. Again, we are available to discuss your claim by phone, email, or video conference.

Our business hours continue to be from 9 am to 5 pm Monday to Friday. If you have any queries, please do not hesitate to reach out to us on (02) 8518 1120 or email info@garlingandco.com.au

We will continue to monitor this situation as it evolves carefully. All operational changes relating to Garling & Co during the COVID 19 pandemic will be updated on this page.
